Graphisoft Wins Bronze Stevie® Award in 2023 International Business Awards®

BUDAPEST, August 28, 2023 – Graphisoft, the leading Building Information Modeling (BIM) software solution developer for architecture, was named the winner of a Bronze Stevie® Award in the *Marketing Campaign of the Year – Software* category in The 20th Annual International Business Awards®.

The International Business Awards are the world's premier business awards program. All individuals and organizations worldwide – public and private, for-profit and non-profit, large and small – can submit nominations. The 2023 IBAs received entries from organizations in 61 nations and territories.

Graphisoft won in the ***Marketing Campaign of the Year – Software*** category for its ***40 Years of Building Together*** campaign, which celebrated Graphisoft's 40th anniversary as an AEC industry leader. "Celebrating this milestone in Graphisoft's history was a proud moment for all of us," said Ron Close, Vice President, Marketing Success at Graphisoft. "We're honored that the judges recognized our passion and excitement for what we do," he added.

As one judge remarked, "Congratulations. Well-designed campaign with beautiful visuals. The results are great. Well done." While another said, "I am especially impressed by the high volume of quality articles and content; it's exciting to see the impact it had over previous years."

More than 3,700 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Company of the Year, Marketing Campaign of the Year, Best New Product or Service of the Year, Startup of the Year, Corporate Social Responsibility Program of the Year, and Executive of the Year, among others. This year's competition also featured several new categories to recognize organizations' and individuals' achievements in sustainability initiatives.

Stevie Award winners were determined by the average scores of more than 230 executives worldwide who participated in the judging process in June and July.

"Nominations to the IBAs get better every year, and this year's class of Stevie winners is the most impressive yet," said Stevie Awards president Maggie Miller. "The winners have demonstrated that their organizations have set and achieved lofty goals. We congratulate them on their recognized achievements and look forward to celebrating them on stage in Rome on October 13."
