## MEDIA ALERT: Building Together Digital Event

Join us **September 14-16** for a three-day digital event, [Building Together 2021](#), which will offer insights into the most challenging and important issues architects and engineers face today. Through a carefully curated program, the conference will showcase critical themes in the AEC industry – from sustainability to urban planning – from integrated design to historic landmark preservation.

We'll also cover topics like diversity in architecture, rapid rehousing, the future of cities, the changing role of architects, and educating the next generation of architects. For the full, exciting agenda, [please click here](#).

[Thirty-nine leading architects and experts](#) from around the world will participate in the form of roundtables, keynotes, and short TREND Talks. Our speakers span the globe, joining from Australia, Brazil, Germany, Japan, Russia, the United States, and more.

We'll also share the results of our **Global Recruitment Survey – Hiring the Next Generation of Architects**. Our goal with the survey is to help firms find great talent and for students, recent graduates, and young professionals to find their ideal place to work.

Don't miss out!
