MEDIA ALERT! Journey into AEC innovation, showcasing Graphisoft's core capabilities

You're invited to our upcoming digital event, **Building Together | Learn**, happening **November 16-17**. This two-day complimentary event promises to be an insightful and collaborative experience you won't want to miss!

We've gathered professionals and experts worldwide to delve into the intricacies of collaboration, documentation, design, and visualization. Our event will feature presentations, roundtable discussions, and interactive sessions to enhance your understanding of working within the Graphisoft ecosystem and harnessing the potential of OPEN BIM workflows. Here's a glimpse of what to expect:

- Learn from some of the world's top BIM professionals
- Communicate design intent with AI-assisted inspiration
- Explore Graphisoft Learn programs and BIM Author Certification
- Discover the Graphisoft Community
- Live Q&A – Ask the experts

[Check out the packed, two-day agenda here.](#)

Please note that Building Together | Learn will be conducted in English. Can't make it? Sign up to receive the free on-demand replay!

About Graphisoft

[Graphisoft](#)® empowers teams to design great buildings through award-winning software solutions, learning programs, and professional services for the AEC industry. **Archicad**®, the architects' BIM software of choice, offers a complete end-to-end design and documentation workflow for architectural and integrated architectural and engineering practices of any size. **BIMx**®, the most popular mobile and web BIM app, extends the BIM experience to include all stakeholders in the building design, delivery, and operations lifecycle. **BIMcloud**®, the AEC industry's first and most advanced cloud-based team collaboration solution, makes real-time collaboration possible across the globe regardless of the size of the project and the speed or quality of the team members' network connection. **DDScad**'s intelligent MEP design tools, integrated calculations, and comprehensive documentation solutions combine great architecture with peak building performance. Graphisoft is part of the Nemetschek Group. To learn more, visit www.graphisoft.com
