One Week to Go: Graphisoft Building Together 2022

Building Together 2022 is going live next week and we are beyond excited to kick off this year's virtual summit. If you haven't yet, make sure to save your seat for the free, three-day event exploring the essential trends and digital best practices shaping the AEC industry's most important work.

A peek at what's to come:

- Meet the Floating Office Rotterdam with Powerhouse Company
- Golden nuggets: Dissecting data-driven change in architectural

practices by Rosey Alexander, Bond Bryan, UK

- Roundtable on exploring actionable digitalization steps in the AEC industry, moderated by Dezeen
- Visualizing great architecture with Bob Pette, NVIDIA VP/GM of Enterprise Visualization, and Huw Roberts, Graphisoft CEO

For a complete list of speakers and topics and to register for free to attend the Building Together 2022 conference, click on the media registration link below!

Join thousands of AEC professionals from around the world, and let's build together!
