Building Together | Connect will be followed by an invitation-only Global Press Event!

Oct 03, 2023 08:00 CEST

## Tomorrow! You're invited to explore Graphisoft's 2023 product lineup in a live online event

Don't miss Graphisoft's 2023 product portfolio launch at **Building Together | Connect**, packed with this year's significant developments, followed by an exclusive **Global Press Event**.

Our **online AEC event** will introduce innovative, integrated ways to boost BIM workflows and enhance collaboration across software solutions, disciplines, locations, and more. Here's a summary of what we'll cover in our sessions and live Q&As:

- Graphisoft's 2023 product release lineup
- Demonstrations of the new releases of Archicad, DDScad, BIMcloud, and BIMx
- Results of the Technology Preview Program and the community heroes who made the best release to date possible
- Product roadmap updates and upcoming milestones
- Ask the experts! Join the event to get answers to your questions in the live Q&A sessions.

Get a first-hand look at what's new in **Archicad**, **BIMcloud**, **BIMx**, **DDScad** – **and more!** Register today for **Building Together | Connect** on **Wednesday, October 4, at 2:00 PM (CEST) / 8:00 AM (EDT)**.

We'll follow up the launch with an **invitation-only Global Press Event** at **5:00 PM (CEST) / 11:00 AM (EDT) / 8:00 AM (PDT)**. You'll hear from **Huw Roberts, CEO**, on our bold vision and progress on our Product Roadmap, which continues to evolve and reflect the latest industry trends and user feedback. He'll also highlight some of the product directions we're considering, followed by an open Q&A round.

*Building Together | Connect will be conducted in English. Can't make it? Sign up to receive the free on-demand replay. The Global Press Event will be conducted in English.*

### **About Graphisoft**

[Graphisoft](#)® empowers teams to design great buildings through award-winning software solutions, learning programs, and professional services for the AEC industry. Our award-winning products and solutions support OPEN BIM for workflow transparency, longevity, and data accessibility for built assets. **Archicad**®, the architects' BIM software of choice, offers a complete end-to-end design and documentation workflow for architectural and integrated architectural and engineering practices of any size. **BIMx**®, the most popular mobile and web BIM app, extends the BIM experience to include all stakeholders in the building design, delivery, and operations lifecycle. **BIMcloud**®, the AEC industry's first and most advanced cloud-based team collaboration solution, makes real-time collaboration possible across the globe regardless of the size of the project and the speed or quality of the team members' network connection. **DDScad** solutions support users with

intelligent Mechanical, Electrical, and Plumbing (MEP) design tools, integrated calculations, and comprehensive documentation of all building system disciplines. Graphisoft is part of the Nemetschek Group. To learn more, visit [graphisoft.com](http://graphisoft.com).
