

IGNITE

GRAPHISOFT CONFERENCE 2025

DATE

October 6-8, 2025

LOCATION

Budapest, Hungary

Sep 29, 2025 08:00 CEST

Your Exclusive Media Pass to Graphisoft IGNITE 2025 – Streaming Live from Budapest

We are delighted to invite you to join **Graphisoft IGNITE 2025**, streaming live from Budapest, October 6–8. This year's conference unites architects, designers, and industry leaders to explore innovation, collaboration, and the future of design.

While in-person tickets are sold out, accredited media are welcome to attend [online at no cost](#). You'll have access to riveting live sessions, ensuring you don't miss a moment of this industry-defining event.

Highlights include:

- **Yves Padrines, CEO, Nemetschek Group**, on how the Group's vision fosters innovation in the AEC/O industry.
- **Graphisoft keynote from Daniel Csillag, CEO**, on the company's vision for empowering architects and designers worldwide.
- **AEC industry keynote from Fred Mills, Founder, The B1M**, the world's largest, most subscribed-to video channel for construction.
- **Graphisoft Product Strategy** and how the 2025 product lineup is delivering the first results of the new product strategy, including innovative solutions like **GraphisoftMEP Designer** and **GraphisoftAI Assistant**.
- **Graphisoft Product Launch**, introducing **Archicad 29**, **Graphisoft MEP Designer**, **Graphisoft AI Assistant**, and 'Project Aurora.'
- **Industry-leading speakers**[sharing insights](#) on the future of sustainable design, digital transformation, and collaboration in architecture.

✉ **Register for your complimentary media pass** [here!](#)

We hope you can join us virtually to experience and cover the innovations shaping the future of the AEC industry.

Can't make it? [Sign up anyway](#), and we'll send you a replay that includes subtitles in French, German, Italian, Spanish, and Brazilian Portuguese.

Best regards,

Graphisoft Global Communications

About Graphisoft

[Graphisoft](#)® empowers teams to design great buildings through award-winning software solutions, learning programs, and professional services for the AEC industry. **Archicad**®, the architects' BIM software of choice, offers a complete end-to-end design and documentation workflow for architectural and integrated architectural and engineering practices of any size. **BIMx**®, the

most popular mobile and web BIM app, extends the BIM experience to include all stakeholders in the building design, delivery, and operations lifecycle. **BIMcloud®**, the AEC industry's first and most advanced cloud-based team collaboration solution, makes real-time collaboration possible across the globe regardless of the size of the project and the speed or quality of the team members' network connection. **DDScad's** intelligent MEP design tools, integrated calculations, and comprehensive documentation solutions combine great architecture with peak building performance. Graphisoft is part of the Nemetschek Group. To learn more, visit www.graphisoft.com
